Re: Deseret Power Electric Cooperative—PSD Appeal No. 07-03

Dear Ms. Durr:

It has come to my attention that the cover page of an *amicus curiae* brief filed by hand earlier today in the above-referenced action on behalf of American Petroleum Institute, *et al.* was missing the name of one of the *amici* (National Oilseed Processors Association). The body of the brief, however, did include their name.

Enclosed are the original and five copies of the corrected cover page for the copies of the brief that were filed earlier today. I also emailed the correct version to the Board and to counsel for the parties.

I hope this works to resolve this issue. Sorry for any inconvenience. Thank you for your assistance. Please call if you have any questions.

Sincerely,

Russell S. Frye
Counsel for *Amici Curiae*
American Petroleum Institute, *et al.*
